Announcement

You are invited to attend the 79th Auction Sale of the Marshall County (Iowa) Shorthorn Breeders Association.

Few breed associations of any sort survive the years to attain the record of seventy-nine public offerings. In fact, we claim without fear of successful contradiction that we are the oldest Shorthorn group in America selling cattle over the block every year, in boom times or bad times, during war or peace.

Through the years we have distributed many choice cattle which have done much toward raising the average of bovine excellence in this agricultural region.

All of the bulls are of good quality and most of them are choice. There are several bulls in the list good enough to be a top seller in the average auction. If you need a real good bull of rich breeding, don't fail to inspect this offering.

The females are also of high average quality and several cows sell with calves at foot.

The best of blood-lines are to be found in this catalog. We cordially invite all interested in good cattle to attend this sale.

The footnotes that accompany many of the pedigrees in this catalog will usually be found to be modest and an under-statement of the actual quality present.

Try to be here early. The sale will begin promptly and the bulls will sell first.

CLUB CALF PROSPECTS

We have the promise of a dozen extra-good prospects for next year's club competition. Look them over.

Terms and Conditions of Sale

LOCATION—The sale will be held in the comfortable new Marshalltown sales barn located on South 18th Avenue. This is just south of Main street eighteen blocks east of the Court House. It will be held on Monday, Sept. 20th, at 12:45 o'clock. Intersecting highways make Marshalltown easy of access from all parts of Iowa and adjoining states. It is also on the main line of the Northwestern, Great Western and the M. & St. L. railroads. Marshalltown is 290 miles west of Chicago, 197 east of Omaha and 275 northeast of Kansas City.

TERMS—Cash, settlement to be made with clerk of the sale immediately at the conclusion of the auction. All animals will be at buyer's risk as soon as bid off, but will be cared for and loaded on cars or trucks in compliance with instructions from purchaser. Care will be taken to avoid accident but will not be responsible should one occur.

GUARANTEE—All cattle have passed test for both Bangs and Tuberculosis. Health certificates will be furnished to enable these cattle to go into any state or territory. Bulls are guaranteed breeders if not used for service before they are 14 months of age and if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and if, after three months trial by seller he proves infertile, purchase price will be refunded. All cows with calves at foot and those showing evidence of being with calf at time of sale are considered breeders, and no further guarantee is made with respect to them. All heifers under 16 months old and not yet bred, are sold open and at buyers risk. All other cows and all heifers over 16 months old at time of the sale are guaranteed to be breeders. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation.

Sale Manager assumes no responsibility in case of settlement.

PEDIGREE CERTIFICATE—A certificate of Registry and Transfer will be furnished with each lot sold, and an application of Registry will be furnished for each calf sold at foot and each unborn calf sold in dam.

LUNCH—At Sale Barn.

AUCTIONEER—C. G. Mason.

FIELDMEN—J. E. Halsey of Wallace's Farmer; Clem Larson, National Association; Albert Hamann, Shorthorn World.

Thank You . . .

We want to thank all who have read this catalog. You have seen the good breeding and choice quality of the bull offering. Some were shown at the State Fair and others might well have been. If you need a bull, be sure to see these sell.

In many sales no cows with calves are included. However, production is the test of usefulness, and the dozen or more calves at foot are the guarantee of profitable investment.

Thanks again, and welcome to Marshalltown. Bring the family. It's a good place to shop.
